Starlight Theatre Goes to the Head of the Class

Gather a Group of 15 or More and Save up to 30%

- Pay a 50% deposit at time of order, and the balance isn't due until 30 days before the performance
- Or, set up a promo code and have your individual group members pay online
- Arrange pre-show activities such as meet and greets, cast talk-backs, group dining and venue tours
- Groups are seated before single tickets go on sale, receiving the best seats available

Raise Funds for School Activities

Looking for an easy way to raise funds for your program that doesn't involve selling candy bars or candles? We make it possible to share your love for the stage while raising funds for your organization. When you sell at least 15 regular-priced Broadway tickets to one of our productions, a significant amount of the purchase price can be returned to your organization. Call us to learn how.

Fundraising Made Easy and Fun!

- You don't collect the money
- You don't hand out tickets
- You just spread the message and then enjoy a night of live professional theater with your friends

Partner with Starlight Theatre for $5 off Broadway tickets

When you enroll your company or organization in Starlight's benefit program, your employees and members will receive $5 off Sunday through Thursday performances during the Broadway season.
Starlight Partners discount only available in select price levels.
