Re: Residency Verification

As we approach the end of the current school year, we now are preparing for the start of the next school year. To ensure we have timely and accurate information in your student's record, we are asking all families to provide **verification of residency**. This can be done in advance to save time at registration and to streamline the process for those who have children in more than one school. For parents with students in multiple buildings, please forward the requested documentation to **one building**. *The office staff will forward the information onto the other buildings for further processing. Please see below for four options to submit your student's residency verification prior to registration.*

Option 1 – U.S. MAIL:

- A. Complete the enclosed **Residency Verification Form**.
- B. **Photocopy TWO** of the **residency documentation** items listed below.
- C. Mail **all three items** to your student's school.

Option 2 – EMAIL:

- A. Complete the enclosed **Residency Verification Form**.
- B. **Scan the form** and **TWO** of the **residency documentation** items listed below.
- C. Email **all three items** to your student's school.

Option 3 – FAX:

- A. Complete the enclosed **Residency Verification Form**.
- B. **Fax the form** and **TWO** of the **residency documentation** items listed below to your student's school.

Option 4 – DROP OFF AT SCHOOL SITE:

- A. Complete the enclosed **Residency Verification Form**.
- B. **Photocopy TWO** of the **residency documentation** items listed below.
- C. Drop off **all three items** at your student's school.
