OVERVIEW

NKC Schools 11th Annual Summer Academy took place in-person from July 20-22, 2021. Virtual sessions took place each Friday in July (7/9, 7/16, and 7/23). While in-person sessions were not recorded, all virtual sessions were conducted online and most were recorded via Microsoft Teams. Seventy-seven virtual sessions categorized into the following strands are available to view at your leisure: Assessment/Data, Behavior/Culture/Equity/Inclusion, Collaboration, ELA, Math, Post-Secondary Readiness, Science, Special Education, and Technology.

To view any of these sessions, please **hover over the name** of the session in the list below to link to its recording in Box. Once logged into Box, you may view the session. Please remember these sessions are exclusive to NKC Schools and sharing outside of the school district is not permitted. To access full session *descriptions* in the Summer Academy Catalog, please click [here](#).
