

Would you like to learn about digital resources alongside NKC peers?

Do you want to share how digital resources are impacting student learning?

Would you like to be more intentional about implementing tech within your lessons (Bold School Framework)?

**If you answered yes, come join us for this *unscripted* learning opportunity!**

# Apps & Apps

## Digital Tools for iPads

Think “Edcamp” or “Unconference”

Northland Innovation Center  
Thursday, January 17th 4:30-6:30pm

Appetizers (to be provided) and Applications (to be decided)!

All you need to bring is your iPad, learning ideas and an appetite!

Please contact Lisa Meyer via email for additional details.
