Dear Parent/Guardian,

Keeping your child immunized is important to their health. Clay County Public Health Center provides thousands of immunizations to children from all over Clay County each year. Our Registered Nurses will offer required and recommended school immunizations for the North Kansas City School District at a special offsite clinic. To be eligible for the school clinic the student must be going into 8th grade or 12th grade. We accept and will bill most major insurance plans, including Medicaid. Students without insurance or insurance coverage that does not include vaccines, are also eligible to receive vaccines at no cost during the school clinic. No child will be turned away for inability to pay.

The North Kansas City School District 8th and 12th grade clinic will take place on the following dates:

DATE	REGISTRATION DEADLINE	LOCATION
TUESDAY JUNE 14, 2022	TUESDAY JUNE 7, 2022	ANTIOCH MIDDLE SCHOOL
THURSDAY JUNE 30, 2022	THURSDAY JUNE 23, 2022	STALEY HIGH SCHOOL

Services will be offered by appointment only. Walk-ins will not be accommodated.

Clay County Public Health Center will offer the following required and recommended vaccines:

Middle School (8th grade)

Tdap-required

Meningococcal ACWY-required

HPV- recommended

High School (12th grade)

Meningococcal ACWY-required

Meningococcal B-recommended

HPV-recommended

To Register your student(s), please use the [Online Registration Consent Form](#) or navigate to our website: www.clayhealth.com/immunizations. The registration must be completed and submitted at least one week prior to your scheduled school clinic. During the online registration process, you will be required to attach a picture of both the **front and back** of your insurance card. You will receive a confirmation message after the registration is complete. Once your application is received, a Clay County Public Health Center staff member will call you to schedule an appointment. **You will receive a call within 2-3 business days after submission.** Appointments will be scheduled from 8:30 am to 2:00 pm. Appointments are limited, so register soon

- A parent/guardian over the age of 18 must accompany the student to his/her appointment. The nurses will not be able to vaccinate your child if they arrive to the school clinic without a parent or legal guardian.
- We encourage students and parents/guardians to wear a mask or other face covering for client services.
- Bring a copy of your most up-to-date vaccine record.
- Students should eat breakfast or lunch and be well hydrated before their appointment.
