CLAY COUNTY  
**PUBLIC HEALTH CENTER**

Dear Parent/Guardian,

Keeping your child immunized is important to their health. Clay County Public Health Center provides thousands of immunizations to children from all over Clay County each year. The Clay County Public Health Center Registered Nurses will be offering all required and recommended school immunizations for all middle and high schools in the North Kansas City School District. **To be eligible for the school immunization clinic the student must be in middle school between the ages 11-14 or in high school between the ages 16-18.** Clay County Public Health Center accepts and will bill most major insurance plans including Medicaid. Students without insurance or insurance that doesn't pay for vaccines can also receive the vaccine at no cost during the school immunization clinic. The dates and locations for these clinics are listed below:

Maple Park MS---Thursday 03/04/2021	registration deadline 03/01/2021
