

## **New Mark Middle School Schedule Change Requests 2020**

- New Mark worked diligently to balance class sizes based on course requests submitted in the Spring.
- Schedule changes for this year will be extremely limited due to New Mark's increasing enrollment and contact tracing protocols.
- New Mark's requests for Honors courses always exceed maximum capacity. As a result, it is possible that not all Honors course requests were fulfilled.
- Most Honors Classes are currently at capacity.
- All Q1, S1, and year-long requests for schedule changes need to be submitted via the schedule change link by **Sunday, Sept. 6<sup>th</sup>**.
- The MTSS Key and course descriptions are located on New Mark's webpage. Make sure you are clicked on the correct grade-level tab.
- Mrs. Taggart (Counselor) will be in contact with families if schedule changes are approved.
