

Gateway Enrollment Activities

Hello Gateway Students!

We can't wait to meet you and are excited to introduce you to life at New Mark Middle School!

We have created a module called **New Mark 7th Grade Enrollment** that will have the information you need to guide you through the course selection process. Please see the schedule below.

Week of February 8-12th

- Students will view the New Mark Video Tour created by our AVID students.
- Students will view the 7th Grade Student Course Overview Video that will introduce students to middle school life and course offerings.
- Students will review course options on the Enrollment Course request guide.
- Students will review the MTSS Course Descriptions document

Weeks of February 12-20th

- Students (with parents/guardians) will complete the New Mark 7th Grade Course Request Form and the New Mark MTSS Request form. **Please complete both surveys by February 20th.**

Feb. 23rd and Feb. 26th

New Mark Counselors will visit Gateway to enroll students in PowerSchool online. Students will refer to their completed enrollments documents this day. Please have your enrollment form handy so you can refer to it when we enroll online.

Teachers, parents, and students are welcome to contact Mrs. Taggart with questions.
