The Staley Parent's Guide to Hybrid & Online Instruction

The NKCSD Instructional Technology team has a YouTube channel that can be accessed [here](#).
- Their Canvas for Parents playlist has video tutorials for becoming an observer in your student's class, adding students to your account, and managing notifications. You can find this playlist [here](#).
- They also have a Canvas for Students playlist that your student may find useful. It can be accessed [here](#).

To become a parent observer in Canvas:
1. Log into your student's Canvas at nkcschools.instructure.com
   a. Their username will be their lunch number; their password may be their 8-digit birthday (some students will have different passwords).
2. Click "Account" on the navigation bar on the left.
3. Click "Settings."
4. On the right-hand side, click on "Pair with Observer."
5. Copy the pairing code.
6. Sign out of the student account.
7. On the NKC Canvas login page, click on "Parent/Observer of a Canvas User?" and fill out the form.
8. Paste the pairing code into the field, check the agreement box, and click "Start Participating."
9. Once logged in, click "Account" in the left column. Select "Notifications." Adjust your preferences for email.

Your student's Canvas Dashboard shows his or her current enrollments in PowerSchool. Clicking on "Courses," and then selecting "All Courses" will show *all* courses.

All Courses

In addition to their active classes, Falcons will have access to Staley Counseling, Staley Library, and Staley Students 2020-21. These courses have virtual supports and resources for students and parents.

Every Staley class should have a Home Page with the course title and four easy buttons for navigation.

MODULES   ANNOUNCEMENTS   SYLLABUS   GRADES & FEEDBACK

Course content like assignments will be organized into Modules. General communication will take place through Announcements. The Syllabus shows class policies and procedures. Grades & Feedback may not represent your student's PowerSchool grades. This feature is meant for *feedback* and *growth*, not as a final class grade.
