Grade 8 Statement of Intent

As a grade 8 student, I intend to pursue the IB program (officially beginning in grade 11) at North Kansas City High School. I understand:

- If I do not continue to pursue graduation with distinction as an IB or Gold Medallion student at North Kansas City High School, I may have to return to my attendance area high school (if outside of NKCHS). This may affect my athletic/activity eligibility.
- There is an expectation of work done outside of class within the NKCHS Pre-IB/IB program.
- To succeed in the program, I must implement effective time management skills, exhibit a willingness to ask for help when/if I need it, pass all my classes, regularly come to school, and have few discipline incidents.
