

**Gary Carter - Class of 1972**

Gary Carter graduated from Northwest Missouri State with a B.S. in Zoology. He then received his Master of Science in Physiology from UMKC and Doctorate in Medicine there as well. He earned Certification from the American Board of Emergency Medicine and has been serving the North Kansas City Hospital as an ER Physician since 1990.

Carter was on the Board of Directors for Synergy Services and was recognized as Kansas City's Top Doctors in 2004 from Ingram's Magazine. He has written several publications and lectures over his medical studies. He is currently enrolled in a MBA program for medical physicians.
