

Canvas Parent Observer Sign Up

Signing up to be a parent observer serves MANY purposes. Being an observer is a necessary tool to keep you informed on your student's academic progress. This is also a great way to partner with your student and student's teachers to ensure academic success. Scan the QR codes or enter the URLs provided for support on getting Canvas Parent Observer activated.

Canvas and Back To School Videos

The very first thing students need to download on their iPad from Self Service is Canvas. This way, regardless of when they report to class, they have access to all courses and information they need. Please follow these directions in order to download Canvas to the student iPad.

****You will also find Back To School Videos and Information in the Student's TEAM Canvas Course.****

- On the Home Page of your iPad, you should see the Self-Service Icon.
- Click the icon.
- Login to Self-Service using your Student ID number and your Password (birthday: ddmmyyyy).

- Find Canvas  and select Install.
- Once installed, you can open Canvas and login (same as Self-Service login credentials).

- Watch this video for Student Canvas Course assistance. <https://qr.go.page.link/8haJT>
