

### **Community Food Kit Program**

Beginning on **Wednesday, October 7**, and continuing each Wednesday for the next several months, Feed Northland Kids is offering a full grocery bag of shelf-stable food topped with a loaf of fresh bread to our district families to help combat the economic impacts of COVID-19. Fresh produce will also be provided while supplies last.

Please pick up your Community Food Kit at either **Winnetonka High School** (5815 NE 48<sup>th</sup> St.) or the northwest corner of the **Norclay Building** (just west of North Kansas City High School; 620 E 23 Ave). Signs will direct you to the pickup locations. Please be prepared to provide your student's ID number.

Pickup is each Wednesday from 10:30 am to 2:30 pm. Though it is greatly preferred that families pick up food at one of the two sites, limited delivery may be available for those without transportation or who are unable to pick up food at the designated time. If you would like to request delivery, please [click here](#) or go to <https://forms.gle/osmb4QBWGB8PsMso9>
