Immediately upon facing building closures that required services and learning to be facilitated differently, NKC Schools implemented a comprehensive plan for families to access food throughout the spring and summer. Meal services will resume beginning August 24 and continue through September 3. During this period, NKC Schools students will have access to free meals.

The following sites are designated as "grab-n-go" food pick up locations Monday through Friday between 10 a.m. to 1 p.m. and 4 p.m. to 6 p.m. Each grab and go package will contain a breakfast and lunch. Food distribution for families with unique needs and extenuating circumstances will continue in the same manner as previously implemented.

With the first day of school on Tuesday, September 8, meal payments will return to normal school year operations. Prepayment for school meals is encouraged through mypaymentsplus.com or the payment drop box outside of the school cafeteria. Those participating in the free and reduced lunch programs will continue to receive free meals. Applications are required each year to qualify for free and reduced lunch. More information is available at nkcschools.org/meals. Look for more information to come as the first day of school approaches.
