The nationwide waiver that allows school districts to feed all students for free has been extended through the 2020-21 school year. Therefore, all students will be offered a free breakfast and a free lunch for students attending in person, hybrid, and virtual. Funding for the District and many benefits to students (ex: waived ACT fees) are based on students qualifying for free or reduced price meals. Therefore all parents are strongly encouraged to complete an application for free or reduced price meals.
