The nationwide waiver that allows school districts to feed all students for free has been extended through the 2020-21 school year. Therefore, all students will be offered a free breakfast and a free lunch for students attending in person, hybrid, and virtual.

In addition to online payments, a Payment Drop Box is available, outside of the cafeteria, for cash and checks. Please mark all payment envelopes with your child's name and ID Number. More info: <https://bit.ly/31Npd6O>
