Box Tops for Education

The Kansas City Comets have given us a challenge. If we, as a school, can collect 2,000 box tops before Dec. 31, each student at Bell Prairie can attend the Jan. 20 Comets game for free.

Please feel free to use this form to submit box tops. You can send in more than this form allows, as well as use a baggie if you prefer.

More info to come about the tickets at the beginning of January.
