FREE DEVELOPMENTAL SCREENING

Do you have a child that will be 3 or 4 on or before July 31, 2021?

Do you live within the boundaries of NKC Schools?

If so, your child may qualify for one of
NKC Schools' free, Early Education preschool programs.

NKC Schools' Early Education 2021-2022 Offerings

SCHOOL-BASED PRESCHOOL

Our free, full day preschool classes will be located in seven of our elementary schools. The school day will correspond with the elementary schedule. Preschoolers must qualify. A completed developmental screening is required.

CENTER-BASED PRESCHOOL

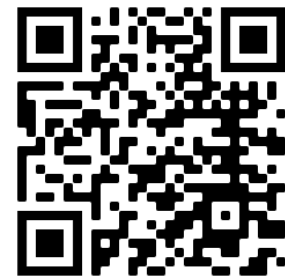

Our free, half day preschool classes will be located at our Early Education Center. The school day is three hours long. Qualifying preschoolers will be assigned to a morning or afternoon session. A completed developmental screening is required.

TUITION PAID PRESCHOOL

Our tuition paid, full day preschool will be located at our Early Education Center. A developmental screening is not required. The website will be updated as enrollment information is confirmed. Limited spots available.

ADDITIONAL INFORMATION CAN BE FOUND ON OUR WEBSITE

For more information about our programs and or to begin the developmental screening process, visit our website nkcschools.org (Families, Early Education). If you have any questions or need assistance please call the center at 816-321-5250. For developmental screening questions, please contact Courtney Holt. If you have questions about a special education evaluation, please contact Carey Webber.
