

Dan Roney - Class of 1983

Dan Roney graduated Summa Cum Laude with a B.A. in Biology at the University of Missouri. He received his Doctorate in Medicine from Washington University School of Medicine in 1987. He is currently the Senior Partner of Northland Family Care in Liberty, Missouri and has been a successful family practice physician there for 16 years.

Roney has volunteered several hours for Boy Scout Troop 180. He has also volunteered his services at Clay County Health Department on their medical clinic. He provides physicals to the scouts and parents of Troop 180 free of charge. He has also been an elder at Bell Haven Church for eight years and has been the Director of the Sunday School involved with the development of new Sunday School curriculum.
